ADM courses at the 4000 level are reserved for students in specific programs who have completed at least 33 units from ADM core courses, including ADM 2381. ENG 1131/FRA 1518 and ADM 2381/ADM 2781 must be taken in the language of program.

Mandatory course sequence to follow in order to complete the program in four years. Course enrolment is possible via uoCampus

accessible through the uoZone portal (www.uoZone.uOttawa.ca). Some courses are not offered every term; students must consult https://www.uottawa.ca/current-students/course-timetable to verify when each course is offered. All prerequisites must be successfully

completed before enrolling in a course.

Students must consult telfer.uottawa.ca > Students/BCom/Academic Regulations to familiarize themselves with all University of Ottawa and Telfer School rules and regulations.

Students are responsible for confirming their enrolment regularly by consulting their uoZone account and for ensuring that they satisfy the requirements of their program in order to graduate.

Students should communicate with the Student Services Centre (DMS1100) should they have any questions regarding their studies, academic regulations or the requirements of their program.

The Telfer School of Management reserves the right to change or cancel courses which are printed on this document.
