Before submitting this form, please read carefully the academic regulation *10.3 Revision of grades and appeal* posted on the following website <http://www.uottawa.ca/about/policies-and-regulations/academic-regulations>

As stated in this regulation, “*students who are not satisfied with their grade after discussing the matter with their professor can ask for a grade review.*” Therefore, please indicate the date of your meeting with the professor _____.

Please clearly indicate which elements you would like to be re-evaluated and justify the reasons for **each** element. As stated in this regulation, “*the chair of the academic unit, or a designate, asks at least one other professor to review the test or assignment under appeal and forwards all documents from the student and the grading professor to this reviewing professor*”, therefore we cannot review elements such as oral presentations or class participation. Only written work can be re-evaluated.

Reason for request :

(Please indicate clearly what you want to be reevaluated. Otherwise, it will not be re-evaluated.)
