FALL 2024

MBA 6262C00 Entrepreneurial Thinking in Practice (1.5 unit)

(Sat: Nov. 2-Nov. 30)

Provides students with an opportunity to learn about, and experience first-hand, the entrepreneurial thinking process in an applied team project. Students will work towards conceiving, validating and creating a viable business model for a new venture, project or initiative. Equally applicable to traditional for-profit ventures, social enterprises, not-for-profit organizations or internal initiatives.

MBA 6295CC00 Seminar in Management I – MBA Case Competition Part 1 (1.5 unit)

(Thurs: Sept. 5-Oct. 10)

This course develops the strategic perspective and contributes to the understanding and integration of business activities by introducing new analytical tools and enabling the development of presentation/communication skills through a case study approach. The case study topics combine the various business issues of small and large enterprises (e.g. strategic direction, growth, human resources, financial issues, international business, entrepreneurship). Through an interactive methodology, this course prepares

participants to operate in high performance organizations by simulating executive level boardroom presentations.

Part I focuses on presentation skills.

MBA 6296CC00 Seminar in Management II – MBA Case Competition Part 2 (1.5 unit)

(Thurs: Oct. 24-Nov. 28)

This course develops the strategic perspective and contributes to the understanding and integration of business activities by introducing new analytical tools and enabling the development of presentation/communication skills through a case study approach. The case study topics combine the various business issues of small and large enterprises (e.g. strategic direction, growth, human resources, financial issues, international business, entrepreneurship). Through an interactive methodology, this course prepares participants to operate in high performance organizations by simulating executive level boardroom presentations. This course also prepares participants for participation in the several national and international MBA Case Competitions that Telfer competes in.

Part II focuses on preparing students for participation in the several national and international MBA Case Competitions that Telfer competes in.

WINTER 2025

ADM 6394Q00 Seminar: Advising Family Businesses (3 units)

(Wed: Jan. 8-Apr. 2)

In this MBA-BCOM cross-listed course, students will examine some of the most salient issues facing family businesses from the perspective of a professional advisor. Case studies and will be used to demonstrate how to address fundamental challenges facing family businesses (e.g. communication, governance and succession issues, family conflicts) with best practices. Moreover, guest speakers who are family business advisors or family business members will share their unique experiences relative to working with, or in, family businesses. The course will be highly interactive and student teams consisting of MBA and B.COM students will be encouraged to discuss how to best address the weaknesses of family firms while simultaneously building their strengths.
