Intelligence Command Course Application Form

Ottawa Police Service, in collaboration with the Hate Crime and Extremism Investigative Team, delivered in partnership with Telfer Executive Programs.

Purpose

This application is used to identify and select senior policing and intelligence leaders for participation in the Intelligence Command Course. The course is designed to strengthen intelligence-informed command decision-making in complex, multi-agency operational environments.

Section 1: Applicant Information

Full Name:

Rank/Title:

Badge/Employee Number:

Agency/Organization:

Unit/Section/Command:

Current Position:

Years in Intelligence-Related Roles:

Work Email Address:

Contact Telephone Number:

Section 2: Eligibility

I am currently serving in, or have previously served in, a leadership, supervisory, or command role with intelligence responsibilities.

I have experience in intelligence collection, analysis, investigations, or intelligence-led operations.

I am available to attend the in-class portion of the Intelligence Command Course, scheduled for September 14-18, and acknowledge that attendance is mandatory for all five days, with no option to miss any portion of the program.

If clarification is required for any of the above eligibility questions, please explain below:

Section 3: Supervisor/Command Confirmation

Applicants below the rank of Inspector must obtain supervisor approval.

Supervisor Name:

Supervisor Rank:

Supervisor Email:

Supervisor Signature:

Date:

Section 4: Applicant Statement

1. Describe your current role and how it relates to intelligence leadership, command decision-making, or intelligence governance.

2. Identify key operational, legal, or leadership challenges you encounter in intelligence environment that this course may help address.

3. How will your participation in the Intelligence Command Course benefit your organization and broader intelligence-led policing outcomes?

Section 5: Applicant Declaration

I confirm that the information provided is accurate and complete. I acknowledge that course materials and discussions may involve sensitive operational or intelligence-related information and agree to comply with all applicable confidentiality obligations.
